

Die Modulbeschreibung sollte direkt über diesen [Link](#) in HISinOne eingepflegt werden.

Module code	Module title	Category
MAIE1060	Language Training	MA
	Degree program	MA Software Engineering
	Faculty	Building Services Engineering and Computer Science

Module coordinator	Dr. Schrabback
Module type	Mandatory module
Frequency	1x annually in SuSe
Recommended semester	1. semester
Credit (ECTS-Points)	5
Academic assessment method	Other P = Portfolio Portfolio including for instance homework and oral exam
Teaching language	English, German
Admission requirements for this module	none
Module duration	1 semester
Required registration	Students enrolled in the above-mentioned degree program/standard semester will be registered automatically upon re-enrollment; all other participants, please refer to the information below.

Course		Lecturer	Type	Group size (max.)	Number of groups	Contact hours per week (SWS)	Workload (in h)
